

FAWOO CANADA Inc Monthly Product Information Release March 2011

Top Entry-Dual Purpose LED light box (#16 frame)

Fawoo Canada proudly presents the newest addition to its line of user friendly LED Light boxes.

This uniquely designed advertising display system bridges the gap between traditional lighted and non-lit mounting systems for both graphics and posters. Designed to be both cost effective and user friendly, this innovative product can be used in a variety of applications including store windows and at the end of display aisles. This allows for full 360° advertising from a slim, attractive and attention grabbing single source. The top entry design allows a quick and simple exchange of media when required.

Product Features :

- Lighted front face for mounting of translucent graphics and the rear face for non-lit posters
- Slim 1" (25mm)
- Custom manufactured to end-user specifications
- Bright, evenly illuminated LED light panel
- The fully adjustable height mounting system utilizes two aircraft grade steel wires and four cable clamps mounted to the sides of the frame
- Connectors that allows rigid mount in desired location and plug & play
- UL/CUL Approved

Changing Graphics is as easy as 1, 2, 3
