

## FAWOO CANADA Inc Quarterly Product Information (JAN - MAR.2009)

### UL Approved – LED Light Panels and Light Bars

“A Step Ahead With In House UL Approved Products”

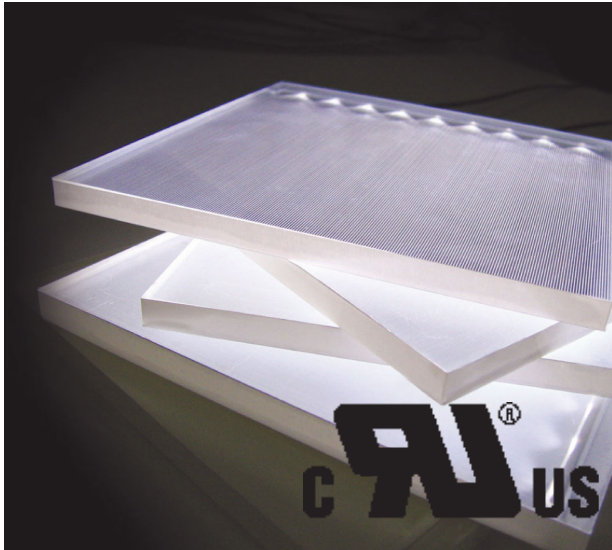

Figure 1 - UL Approved Panels

At Fawoo Canada Inc. we listen to our clients and try to remain one step ahead of their current requirements. After months of work and a major investment, Fawoo Canada Inc. is pleased to announce that as of March 13th 2009, we have become a UL / CUL Certified Manufacturing Plant.

All LED Light Products (LED Light Panels and LED Light Bars) that are manufactured out of Fawoo Canada Inc's facility in Markham Ontario Canada will carry the UL / CUL Registered Trade Mark.

This exemplifies our commitment to maintain a high quality LED Lighting Product for our clients. This milestone provides our North American clients the confidence to use our LED Light Products in all applications.
