

**FAWOO CANADA Inc Monthly Product Information Release  
May 2010**

**UL Listed LED Light Boxes – Single Sided and Double Sided**

Fawoo Canada is pleased to announce the release of a new series of super slim and super bright LED light boxes with UL/cUL listing.

**Product Features:**

- Available in both single-sided and double-sided versions
- Manufactured in our CANADIAN factory to customer size specifications and/or custom shapes
- Sizes from minimum 8.5" x 11" to maximum 50" x 107"
- Anodized aluminum frames in black or silver.
- Light box and our power adaptors (Class 2) are UL/cUL listed to eliminate electrical inspection issues

The Fawoo Canada light box is your right choice for displays, advertising media outdoor/indoor boxes, menu boards and signage systems to replace traditional fluorescent light boxes. Our light box is your “green” solution - save money on electrical costs and maintenance costs as well as helping the environment.
